

**Lithuanian Radio Sport Federation**

**Kaunas University of Technology Radio Club**

Hello everybody.

This afternoon we had first mini-contest in English language. Everything was OK except the small quantity of participants. But this problem will be solved soon then more and more contestmens and radio amateurs will participate (*rules are described one day before*). I want to say THANK YOU for them who participate this time.

Sincerely,

main organizer of kids summer program  
Rolandas Zakelis
