

***Dear Fellow Contesters,***

Thank you very much for joining the Baltic Contest 2016, where we have had about 500 of you. That is pretty good but still not enough to solve the last hour activity question. The statistics say there were participants from more than 50 countries and the most numerous country was Germany with 51 participants. There were 146 callsigns from the Baltic States (86 from Lithuania, 30 from Latvia and 30 from Estonia).

From all the Baltic States, the Lithuanians have received the major trophies: LY5R Alberto was the first in the MIX entry, Albinas LY2MM has won the name of best CW man, Roli LY4A and Alius LY2BKT made the best team, and Kestas LYR-346 was the best listener. The SSB medal has gone to the multiple winner of this entry Karlis YL2CI and the 2 hours best scorer was Kristjan ES7GM.

The European entry Group A (MIX category) was lead by Yuri EW8DX; CW entrants, as usually, faced the biggest competition, where Jerzy SP4W was the first with only 20 pts ahead of OL4W. This year, in European SSB section, we welcomed Vlad UT7HA on the TOP. Romuald SP4G was the No 1 in the 2 hours competition. The main fight for the European Team winner in the Baltic Contest was among two Belorussian crews: EU1WW and EW8W. Congratulations to EU1WW! We shall not

forget the SWLs. Rafal SP7-003-24 took the 1<sup>st</sup> place for the second time in a row.

It has become a tradition without any participants in the Group A among the DX stations. However, the real competition was only in CW category and Sergey R8TT won. All the other entries were won by Sergey R9CZA in SSB, Fred K3ZO in the 2 hours entry, Tim N3QE in the multi operator's entry and Tom VK2CCC in the SWL category.

We would like to thank all the participants and congratulate all the winners. Big thanks, also, go to the prize and special trophy founders: Mark 4Z4KX, Jonas LY4T, Saulius LY4AA, Rimas LY6A, Gediminas LY9A, Mindaugas LY4L, Kaunas University of Technology Radio Club, Vytenis LY5T, Tonno ES5TV, LY7A contest team, Birzai Radio Club, Estonian Radio Amateur Union, Latvian Radio Amateur League.

Welcome to the Baltic Contest 2017 and please kindly inform your friends about our events!

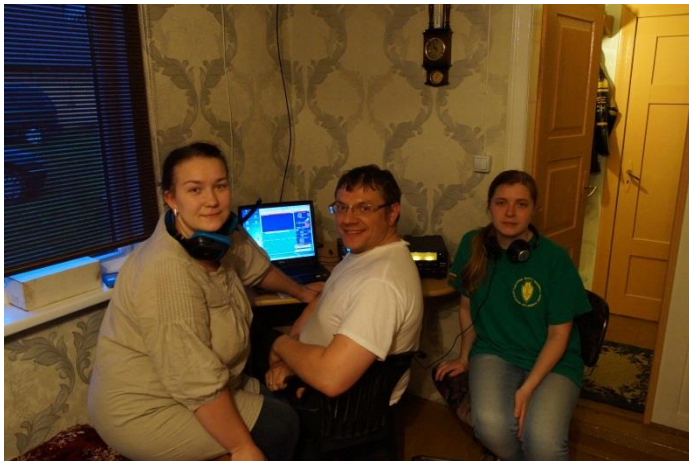

73!

Mindis LY4L

The Baltic Contest took place on the 22<sup>nd</sup> May, 2016. A team of 6 people gathered from korp! TauTiTo <sup>1</sup> active members tried their luck in the amateur radio contest for the first time. Also, this contest was a grand opening of a new position establishment in Sangrūda, located in the South-West of Lithuania, near the Russian and Poland border. This position was built only days ago by sdr. Rolandas Žakelis from korp! TauTiTo.

The team consisted of 3 women and 3 men: Ina Žakelienė (callsign LY40, now LY500), Neringa Vaičiūnaitė (LY3ZM), Karolina Vaičiūnaitė (LY3ST), Rolandas Žakelis (LY5AA), Dainius Bernatavičius (LY2ZO) and Rimas Šeperys (LY1GW). All were very excited, even though, the contest started late at night and it was hard to remain focused and attentive while on air. The contest was more like a practice as the team had to share one transceiver.

All in all, each member has been on air for at least one hour during the contest. Rolandas Žakelis was helping everyone and giving advices how to participate efficiently. From the female participants, the luckiest was Ina (now LY500): she made 68 QSOs. Second was Neringa LY3ZM. From the male: Rolandas Žakelis LY5AA with 36 QSOs.
