CONTEST

RESULTS BC2019
RULES BC2020

I can't really remember when exactly was my first Baltic Contest, but I know for fact I have been participating for more than 15 years. It means that I have been participating at least half of my life (I'm currently 30 years old). Baltic Contest used to be (and still is) something to always look forward to, but as the overall ham population is aging, we seriously need to look at the future! I remember when top operators used to make nearly 500 QSO's, but for the last decade we haven't really gotten close to that result. So hopefully we can think of something that keeps up the rate – specially on those last two hours. Nevertheless it is always fun to participate and rate wise the 2 hour class is plenty of fun. So let us look for the future and make best possible decisions to keep up the Baltic Contest spirit! See you next year!

Dear Fellow Contesters!

Thank you for your participation in the 55th Baltic Contest! The air was filled with signals from more than 400 people enjoying contesting between Baltic States, Europe and the DX. Operators from 39 different countries joined the contest this year. The biggest number, as usual, was from Lithuania, Germany, and Latvia. We are happy to see more participants from Europe and DX than the last year (280 operators compared to 247). In addition, this year's new DXCC – Uruguay!

Kindest congratulations go to the entry winners. This year we have a lot of Lithuanians among the winners: it was Rimantas LY6A, who won entry A (SO MIX). B (SO CW) medal goes to Albertas LY5R. Once again the best in C (SO SSB) was Vytautas LY2OU. D (SO 2 hours) winner is a long-time participant Kristjan ES7GM. E (multi op) award once again goes to Rolandas and Alis (LY4A team); and this year's F (SWL) winner is also a regular Baltic Contest participant – Kęstutis LYR-346.

From the European Countries the best operators were Aleksey EW1I, the winner of A (SO MIX). Alex EU4E – the best in B (SO CW), Sergey RW1F won C (SO SSB) for the second time in a row! The medal for winning D (SO 2 hours) will go to Radik RT2F. The best team (also for the second time in a row!) was Serge and Viktor EU1WW; and Stanislav LZ1G42 claims the award for SWL once again.

As usual, we would like to say THANK YOU to all the donors: Saulius LY4AA, Latvian Radio Amateur League, Estonian Radio Amateurs Union, Mindaugas LY4L, Gediminas LY9A, Kaunas University of Technology Radio Club (KTU RC), Rimantas LY6A, Rolandas LY5AA, Mark 4Z4KX, Lithuanian Amateur Radio Society (LRMD), and Tonno ES5TV. This year we had three additional special trophies: LY youth (until 20 years), BC Youngest, and Oldtimer Baltic States (at least 70 years old). Many thanks for their donors: Tautvydas LY2OX, Mindaugas LY4L, and Estonian Radio Amateurs Union for making the 55th Baltic Contest unique. We really appreciate your contribution to the Baltic Contest! The winners of all the special trophies can be found in page 3 of this booklet.

For the next Baltic Contest we have some news: Entry D is changed from single operator 2 hours to single operator, assisted, CW/SSB. We believe this change will have a positive effect and will be accepted fairly. "To improve is to change, so to be perfect is to have changed often" (Winston Churchill).

Don't forget to follow the latest news on www.lrsf.lt and see you in the 56th Baltic Contest!

73!
