”

In the coming days, the heat will fade, and the wind from the south will not provide refreshment.

June 18 dry and clear. Wind mostly southeast, 4-9 m / s. Temperature 11–16 degrees at night, 27–32 degrees during the day.

June 19 no rain. Wind southeast, south, light at night, 4-9 m / s during the day. The temperature is 14–19 degrees at night and 27–32 degrees during the day.

June 20 the chances of rain are low. Wind south, 3–8 m / s. The temperature is 15-20 degrees at night and 27-32 degrees during the day.

On the night of June 21 without rain, during the day with brief rain, thunderstorms. Wind southeast, light at night, daytime 7–12 m / s. Temperature 17-22 degrees at night, 27-32 degrees during the day.

June 22 night nelis, daytime short rain, thunderstorm. Wind southeast, east, 6-11 m / s. The temperature is 18–23 degrees at night and 28–33 degrees during the day.

Bring soft drinks for refreshment and protection from the sun and heat!

Many years of practice says that we still recommend preparing for rain protection, i. raincoats, umbrellas, suitable footwear, etc. and keep them in the car.
