COMMUNICATE No. 13

Kaunas
2021-06-11

In order to increase mastery and efficiency of on-site and off-site participants, trainings are organised before the competition.

Date: Monday, Tuesday, Wednesday and Thursday before Saturday's competition;
Time: 21:00 – 22:00 LMT (18:00 – 19:00 GMT);
Duration: 6 periods, 5 minutes each. QSY rule included.
Send: RS (T) + QSO Number.
Mode: SSB and CW.
Frequencies: 3.500 – 3.650 MHz

After that day's training, all meet approximately at 3.648 MHz. Roland LY5AA will hold a short discussion and recommendations for competition "Lithuanian HF CUP 2021".

If You get any questions, do not hesitate to contact me - dr. Rolandas Žakelis LY5AA +370-691-44414
rolandas.zakelis@ktu.lt. Information will be added according to their need.

NOTE: we inviting to participate in the trainings and in the competition "Lithuanian HF CUP 2021" all abroad HF radio operators.

We wish GOOD LUCK for our on-site participants during training and during competition!

dr. Rolandas Žakelis LY5AA
"Lithuanian HF CUP – 2021" chief referee
